
***HOW TO BE A GOOD SUB* Cheat Sheet**

- Know that being a sub is a lot of work, mentally, emotionally, and sexually. Make sure you are up for the challenge.
- Don't serve apathetically or reluctantly. Show that you truly desire to be owned.
- Strive to please your Dom in all things, not just sexually. This means that you may have to give up some of your own personal freedoms and preferences.
- Aim to conduct yourself in a respectful and modest manner at all times, recognizing that your behavior is a direct reflection on your Dom.
- Don't "top from the bottom", or try to undermine your Dom's decisions to get your own way.
- The best and simplest response is usually, "Yes, Sir (or Master, Daddy, etc.)."
- Always remember that you should be making your Dom's life easier, not harder.
- Proactively think about what your Dom needs in any given moment, and try your best to fulfill it.
- Obey rules to the best of your ability, but if discipline is necessary you should take it willingly.
- Take great pride in the health and presentation of your body, since you are a representation of your Dom.
- A good sub craves being used, serving, and giving up control.
